

Dear My _____

Assalamu alaikum warahmatullahi wabarakatuh.

I pray that this letter finds you in
the best of health and eemaan.

I am doing fine here, alhamdulillah.

I have been learning about Islam and Arabic,
and practicing to read the Quran well
and memorizing Surahs, too.

I know _____ surahs by heart now,
alhamdulillah.

Please pray for me so I can memorize
more and more Surahs
and become a good Muslim.

I'm praying for you, too.

With love and prayers,

From _____

Here are the things I have learned recently:
